country comfort

QHOTELS

There's absolutely no point in going to a hotel and doing things their way. Which is why, at The Cheltenham Chase, we specialise in doing things your way.

Our staff are almost scarily eager to ensure that you have the best of all possible times at this, the best of all Gloucestershire hotels. But don't people find this just a little bit self-indulgent? Well, yes. And that's the whole point.

122 havens of
having it all

350 people waiting
in anticipation

With 10 specially-equipped rooms, for anything from a couple of colleagues to 350 conference attendees, we can make any corporate event run as smoothly as the silkiest of silk. But we're equally skilled at making things go with a bang when there's a banquet, a wedding, a birthday or an anniversary – in fact, any excuse for a party.

70 decisions to make before dinner

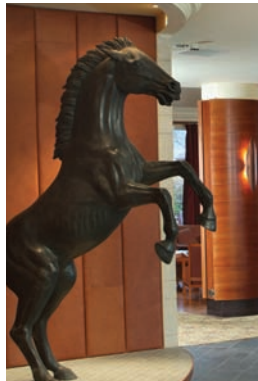

We don't make life easy for people who love food. For a start, you've got to choose between Hardy's restaurant and Hunters bar and lounge. Tricky. Then there's the all-important menu navigation. So many good things, so little time. If you want to take our advice, you could ease the pressure – just stay another night.

40

winks in the treatment room

Shhhhh! You have to speak very quietly. Somebody has succumbed to the temptations to be found among the 45 beauty and therapy treatments offered by our expert spa team – and unless we're very much mistaken, that somebody has been soothed into a blissful sleep.

7 minutes from the cathedral or racecourse

Gloucester one way. Cheltenham the other. Over yonder, the gorgeous Cotswold hills and, everywhere else you look, the delights of Gloucestershire. Yet the M5 is merely a mile away. Isn't it marvellous how these things turn out?

One of a kind

We're really not supposed to use the word 'quality', because so many places who don't even know how to spell it bandy the term about willy-nilly. But when you've experienced the place, the people and the service, it's difficult to find another way of summing up The Cheltenham Chase Hotel so succinctly.

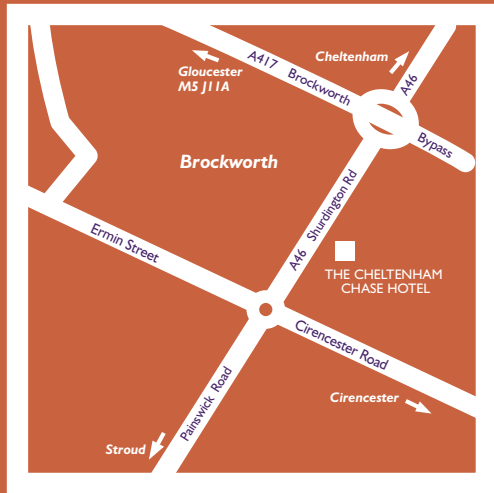

Our guests tell us they loved it here the first time they stayed and that it just gets better the more often they return. Want to feel that feeling? Come and see us – soon.

And you can take advantage of all we have to offer secure in the knowledge that everything we do at QHotels ensures a positive approach to our staff, our community and the environment.
