With wonderful views across the water, The Lakes restaurant offers customers a fabulous dining experience with course after course of deliciousness served up beautifully by our brilliant 'Cuisine Team'.

On the general principle that the only thing better than golf is more golf, we've created 27 holes on our championship course. There's a 6700 yard, par 72 for the first 18 and a 9-holer if you're feeling super-keen, or you're pushed for time. Large, well-kept greens, well-drained fairways, beautiful wildlife-friendly surroundings – sheer perfection.

pounds of fighting carp

Don't know about you, but once we've enjoyed a swim in the pool, a workout in the gym and a few frames in the 10-pin bowling alley, nothing sets the seal on the day like a little lakeside angling. Ready with the rod?

The M40 isn't far off and London is only 75 minutes away, which makes it easy to get yourself to our door. Once you're here, however, the busy, bustling real world seems a million miles away. Not that you'll care. After all, that's exactly why you'd choose to come here.

One of a kind

Hellidon Lakes isn't far from Stratford, Warwick and Royal Leamington Spa, which is great if you like a wander and a good nose round. But we find that many people don't even set foot out of the grounds from the minute they book in to the moment they check out.

Such a banquet of temptations on the menu. Such friendly staff. So many spa treatments. So much golf to play. So when can we expect you?

And you can take advantage of all we have to offer secure in the knowledge that everything we do at QHotels ensures a positive approach to our staff, our community and the environment.
