people for banquets –
more for business

With our corporate hats on, we offer 16 high-tech conference, meetings and event suites, comfortably seating 340 in the biggest. With our wedding hats on, we provide the perfect big-day venue for get-togethers large or small. Factor in the choice of a 400 year old tithe barn or a 16th Century Manor House – complete with its own bedrooms and meeting rooms – and there's no event, business or social, that we can't cope with beautifully.

What they cook up most of all in the Scene Restaurant is temptation. It would take a will of iron to resist the expert efforts of our chef and his team – so our advice is to take the maximum pleasure option and give in immediately. Try Scene Bar and Lounge for a more informal setting with the same high standard of food.

3 temples of therapy

Self-indulgence being very much the theme at Norton Park, you should lose no time in placing yourself in the expert hands of our spa team. With more than 40 beauty and therapy treatments, nirvana awaits. Our Technogym awaits the iron pumpers or maybe you'd rather slip into the deep blue water of our pool.

The mighty M3 is a mere dot on the horizon once you're here – but it makes us oh so handy to get to. And if you fancy a not-too-taxing drive to somewhere well worth a visit, wonderful Winchester is only 15 minutes away.

One of a kind

Once you're safely settled in at Norton Park, amidst the beauty and tranquillity of 54 acres of prime Hampshire countryside, you truly come to know what 'carefree' means. You'll be primped and pampered, fed and watered and looking forward to visiting the land of nod in one of our 185 superbly-furnished bedrooms.

Some people choose us for business and some for pleasure. But everyone chooses to come back again whenever they can – and that tells you all you need to know.

And you can take advantage of all we have to offer secure in the knowledge that everything we do at QHotels ensures a positive approach to our staff, our community and the environment.
