HOTELS

In the tiny amount of time between 'Hello, can I help you?' and 'Here's your room key', you'll have adjusted to Cambridge Belfry living. And that means taking all the little luxuries as your due, seeing the smiling staff as your personal helpmates and pleasing yourself entirely. All of which is fine by us – because that's exactly the effect we're looking for.

5 minutes to find
yourself at home

8 busy busy business suites

We've got 8 rooms fully fitted-out for conferences, meetings and business get-togethers of every kind – with 10 gimlet-eyed, expert staff standing by to ensure smooth operations. We can get up to 250 together in our largest suite, but we'll house a handful too. And we're equally happy to be here for special occasion celebrations. Easy to get to, a delight to host an event in – what's not to like?

3 courses and all the time in the world

It seems to us that a lot of good restaurants serve way too much starch. So we're less about best bib and tucker and more for a fantastic atmosphere. Not that there's any slap-dashery when it comes to the food. Fine local produce, beautifully cooked, elegantly presented, politely served. And if you don't see what you want – just ask.

pathways to bliss

Take a towel. Take a bed. Take a long, deep breath and let one of our super-expert spa specialists work their magic with a blissful relaxing massage or therapeutic treatment – or a little beautification. You could add a gym or a pool session before or afterwards too.

They come via the A1. They come via the M11. They come from near and far to stay at The Cambridge Belfry – and to enjoy the delights of seeing Cambridge, only 11 miles away, without the hassle of actually staying there.
