The Stratford
Stratford-upon-Avon

352

yards from
The Bard's birthplace.

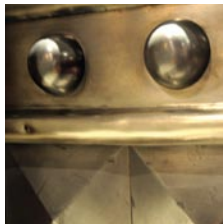

800

years of history on the doorstep.

We're a rather refined bunch here at The Stratford. And when you consider just how much history and culture we have just a stone's throw away, it's only natural that some of it would rub off on us. Which is why at this hotel, you'll discover beauty, sophistication and romance to rival any of Shakespeare's great works.

10

minutes from
a diversity
of distractions.

Travel in any direction and there's something worth discovering. More Shakespearean heritage than you can shake a stick at, 3 world-famous theatres, 2 magnificent castles, countless designer boutiques, award-winning restaurants, the list goes on. The hardest part is tearing yourself away from the comfort and splendour of your hotel room.

menus penned by prodigious chefs.

At the sublime and sophisticated Quills restaurant, there's plenty to write home about. Fine wines, fresh and flamboyant dishes that change with the seasons, a collection of AA Rosettes (a rosette by any other name wouldn't smell as sweet). For something less formal, try a light snack and a long, leisurely drink in our contemporary lounge bar.

fairytale photo opportunities.

Romance isn't dead. It's alive and well and staying at The Stratford (in a luxury four-poster suite of course). With the birthplace of the man who brought us the most famous lovers in history – Romeo and Juliet, just down the road, it's no wonder so many people choose to hold their wedding celebrations here. And countless other happy and heart-felt occasions.

unique events
staged last year.

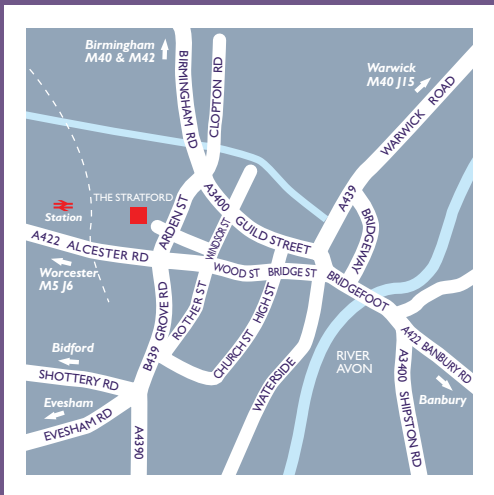

As you might expect, we really know how to put on a show at The Stratford. Our highly-experienced cast of Event Planners can take your ideas and turn them into something truly unique, without any drama. Unless of course drama is what you want. Conferences, corporate banquets, product launches, exhibitions, there really is no end to our talents.

One of a kind.

With its picturesque and quintessentially English setting, The Stratford hotel is a truly wonderful place to stay. Surrounded by glorious Warwickshire countryside and just a short walk from the banks of the River Avon, there's beauty and serenity in every direction. Inside the hotel, the surroundings are equally enchanting. From the plush, contemporary décor and opulent furnishings to the charming, attentive service and peaceful atmosphere. It's no wonder so many of our guests come back time and time again. So whether you're here on business, pleasure, or a bit of both, you can expect the warmest of welcomes and a unique and enjoyable stay. And you can take advantage of all we have to offer secure in the knowledge that everything we do at QHotels ensures a positive approach to our staff, our community and the environment.
