At the confluence of the Warwickshire and Northamptonshire borders, within easy striking distance of the M1 and M40 motorways, stands one of the finest conference and training facilities in the country – the 4-star, 110-bedroom Hellidon Lakes Golf and Spa Hotel. Last year alone this decidedly spectacular location, complete with its eight twinkling lakes on which guests can go fishing, was, we are proud to say, the conference venue of choice on no less than 1,280 occasions. We must be doing something right given the percentage of those who re-book for next year, we believe it's down to the fact that we are one of a kind.

corporate suites
for corporate suits.

Most business types who arrive open-mouthed at our door tell us how knocked out they are by our truly stunning setting and 220 acres of highly conducive grounds. The coup de grâce, however, follows shortly afterwards. Our 24 exceptional conference suites and rooms are flexible enough to appear in an aerobics training video and include three virtually self-contained areas which organisers can choose to utilise as one large room, or five smaller rooms. Like the rest of our corporate facilities they have enough technology packed into them to put your presentation up in lights and are as comfortable as a well-loved cardigan. In short, they are superb. What's more, the largest can accommodate up to 300 delegates in one sitting, while even the smallest benefits from all the skill and attention to detail that our dedicated Events Planners lavish upon each and every conference that we host here.

holes of pure delight.

When that long day conferencing at the coal face of modern business is over, how would a most agreeable round of golf in truly breathtaking surroundings sound? We thought so. And at Hellidon Lakes Golf and Spa Hotel we have got a magnificent, 27-hole championship course for you to test drive. Of course, if golf isn't your thing we do happen to have a deeply invigorating spa and gym that will help you ease away the cares of the day. While for those who want to take in some of the local attractions, there's Silverstone Circuit, Warwick Castle, the Shakespeare Houses, Cadbury World and The Jurassic Way.

lips licked in anticipation every single week.

If food was a subject they gave you marks out of 10 for, we'd get 11. Our attentive staff will make sure your delegates or guests are always fully refueled by providing unlimited tea and coffee throughout the day, lunch in the restaurant or a working lunch in your meeting room, and mouthwatering homemade cakes in the afternoon. And when the day is over there's still our head-turningly stylish and contemporary Lakes Brasserie to look forward to. Here, our highly talented chefs have a well-earned reputation for preparing truly delicious fare. While in the lounge bar our stewards have an equally deserved reputation for their knowledge and flair. Indeed, there isn't a cocktail known to man that can't be conjured up here. Of course, should you wish to dine in your room, then our reputation for speedy service precedes us. But only just.

acres of team-building nirvana.

Just 15 minutes away from the M1 and M40 motorways, and a mere 34 miles from Birmingham International Airport, Hellidon Lakes Golf and Spa Hotel couldn't be in a more accessible position. So once you have had a leisurely drive to our gates you'll find that as well as offering a plethora of man-made delights, our hotel is also blessed with an abundance of spectacular flora and fauna, all provided by Mother Nature. And, of course, all of it can be yours to use for those team-building days where everybody rolls up their sleeves and tears down the barriers. In conjunction with our professional partners we can provide all kinds of options that are designed to make even the fiercest of office rivals the most willing of team players. These include quad-biking, obstacle courses, outdoor Olympics games, dragon boat racing and clay pigeon shooting. Then, should you decide to continue your bonding in the warmth of the hotel, our excellent four-lane indoor tenpin bowling alley should keep the ball rolling nicely.
