22 wishes granted and one miracle achieved

Your wedding is the perfect excuse for you to take centre stage – and Crewe Hall plays the perfect supporting role. Your guests approach along our stately tree-lined drive for their first view of our impressive façade. They enter and gather together, admiring the exquisite design features, before they're presented to you, the happy couple. Yet more elaborate décor surrounds them as they sit down to enjoy the best our expert chefs can provide with our wonderful waiting staff serving incredible food in extraordinary style. Appetites satisfied it's time for the cheers, tears and memories of the speeches where we'll keep the champagne glasses topped-up. Then from first dance to last farewell, you meet and mingle, making the most of this once-in-a-lifetime, fairy tale event.

If you've had your special day planned in every detail since you were six years old, just spell it out and we'll leap into action – or if you're looking for a little help, our wedding planners are brimming full of fantastic ideas from bouquet to menu to décor to DJ. Either way, we're here to make the day everything you've always dreamed of.

400 years of wonderful weddings

We're sure there have been wedding celebrations at Crewe Hall as long as there's been a Crewe Hall – since the 17th century, in fact. And we're proud of the history to be seen in the stained glass, intricate plasterwork and hand-painted wallpaper. But we're also delighted with the modern chic of our £13.5m events centre, home to some equally stunning affairs.

But a grand locale like ours doesn't have to mean a grand event – every permutation is possible. For the larger guest list: welcome drinks and mouth-watering canapés in one room, moving through to another for small talk and speeches, dinner and dancing. Or an afternoon get-together for a full-on party when the evening's extra invitees arrive. Or the company of a small assembly of special friends till it's time to leave for the honeymoon. It's your day – so whatever you want, it's yours.

11 years of playing musical chairs

We've hosted hundreds of weddings so we have the capacity, the flexibility and the know-how to tailor yours precisely to your needs. And one of our skills lies in helping you choose exactly the right room to fit your wedding party like a glove. Or, if you prefer the traditional appeal of a wedding party under canvas, there are three perfect places in our grounds to site a marquee.

All of these rooms and more are licensed for civil marriages and partnerships.

8 four-posters for real romance

However long your wedding celebrations may last, it's far too short a time to spend at Crewe Hall – because we have so much more to offer. A perfect day, for example, should be followed by the perfect night, in which case one of our sumptuous four-poster rooms should fit the bill admirably. And if you want your guests to become bedazzled by the full splendour of the exquisite marble, ornate plasterwork and stained glass which we boast in abundance, you might want to suggest that they stay overnight with us too.

But all this is after the event – what about before? We'd be delighted to host your stag or hen party, giving the occasion a real touch of class. If a little slimming and trimming are called for, our pool and gym can be yours to enjoy. Relaxation and beautification for her (and, whisper it, for him too) come courtesy of our expert spa therapists. And some might say that a pre-wedding meal cooked by the winners of two AA rosettes is an absolute must. In which case, that'll be a table for two in the Ranulph restaurant.

The gorgeousness doesn't end here. There are 20 other QHotels to visit across the country.
