Forest Pines Hotel & Golf Resort

At QHotels you can take advantage of all we have to offer secure in the knowledge that everything we do ensures a positive approach to our staff, our community and the environment.

Arrange an event at QHotels' Forest Pines Hotel & Golf Resort in North Lincolnshire and we'll offset your delegates' carbon emissions.

370 delegates happily ensconced
 180 acres to become at one with nature
 90 species of blooming loveliness
 15 types of fascinating creepy crawlies
 9 well equipped conference rooms
 4 stars for outstanding service

One of a kind

The natural choice for a responsible conference

At a time when we're all trying to be as green as can be, one hotel stands head and shoulders above the rest. Forest Pines Hotel & Golf Resort offers both a stunning conference location and a reassuring level of environmental friendliness.

Nestling in 180 acres of unspoilt grounds and boasting 188 outstanding four star bedrooms, Forest Pines Hotel & Golf Resort looks after its guests just as well as it does the environment.

Whether you're organising an intimate VIP board meeting or a sales conference for up to 370, each delegate will be kept in perfect comfort by our energy efficient air conditioning system helping keep our carbon footprint as small as possible.

No surprise then that we have been awarded a highly acclaimed Silver accreditation by the Green Tourism Business Scheme based on our responsible approach to everything from water and energy to waste and transport, not to mention our green purchasing and marketing habits amongst other things. So, we're perfectly placed to help your conference or event go a darker shade of green.

Relax and Unwind!
 The conference organiser will benefit from upgraded accommodation during the event and will receive a free 2 night dinner, bed & breakfast weekend break for two people!

And to prove our commitment to our precious environment, we promise to:

- For every confirmed conference booking worth over £5,000 we'll plant a sapling tree in our forest on your behalf.
- Make a 'Carbon Donation' to offset 10,000 car miles for every 50 delegates that attend your event. (Enough to cover the CO₂ emissions of the average delegates journey.)
- Only serve Sela-V bottled water to support Aquaaid in their vital work raising funds to donate Elephant Pumps to villagers throughout Africa who have no clean water.

Offer ample coach parking for parties able to travel by coach and promote public transport access to the hotel whenever possible.

Reduce our carbon footprint year on year by minimising our use of natural resources and reducing the waste we generate.

A Green & Pleasant Stay

Caring for our environment doesn't come at the expense of comfort. To help your delegates take their minds off work we offer a number of very pleasant distractions:

Golf & Team Building

- Three beautiful 9 hole golf courses
- Superb clubhouse with bar and dining
- Golf buggy hire and pro lessons
- Corporate golf days with golf clinics, videos and competitions

Leisure & Spa facilities

- Advance Technogym equipment for all shapes and sizes
- Fitness experts on hand to encourage and support
- Massage and beauty treatments for a full-on pampering

Become one with nature

- Enjoy a complimentary, 30 minute 'nature walk' before dinner
- Attend early bird morning stretching class – a great way to start the day
- Team building activities available
- Bring your binoculars for some outstanding twittering

And at the end of the day, when you've finished putting the world to rights, what better way to draw proceedings to a close than a fabulous dinner in our AA rosette winning Eighteen57 restaurant. Our master chefs have compiled a mouth watering menu and in line with our beliefs, source as many of their ingredients from local suppliers as possible, cutting down on food-miles.
