Funeral Receptions

Our staff at Bridgewood Manor have many years of experience in sympathetically attending to your requirements at this time.

Organising an after-funeral reception at home can add to the stress of losing a family member or close friend. We offer a choice of menus and refreshments for you to choose from, and are happy to accommodate any size of gathering up to 200 guests.

One of our managers will greet you and your guests upon arrival and direct you to your private suite. Please note that we do not charge for the private use of our function rooms for funeral receptions. Our attentive staff will look after you and serve refreshments and stay on hand for any other requirements you have, or remain nearby if you require greater privacy.

Private bars or specific drinks can all be arranged, and our hotel florist is available for floral display if required.

Please contact a member of our events team to arrange a show round of the function suites available, or one of our duty managers will be very happy to assist you.
