sumptuous rooms
to retire to.

Here at Bridgewood Manor we are blessed with a profusion, a plethora, even, of extraordinarily comfortable and well-appointed rooms. Inside each you will find not only one of the most comfortable beds you will ever have the pleasure of collapsing into, but also all manner of thoughtful fixtures, fittings and lavish little extras to make your stay with us a truly memorable one.

1,000,001

things to do right on the doorstep.

Step outside Bridgewood Manor and you will find a seemingly endless number of attractions, distractions and other excellent ways of keeping yourself amused. There's Diggerland, for example, which is a must for all you boys who love toys. If you prefer something a touch more cultural, however, then the area has umpteen theatres, galleries, museums, castles and ancient cathedrals to offer you. Or if your idea of nirvana is shops, shops and more shops, then the Bluewater Shopping Centre is just up the road and will be right up your street.

sighs of satisfaction.

In our Squires restaurant it isn't uncommon to hear gentle exhalations of pleasure emanating from tables all around the room. And quite right, too. The surroundings are stylish yet unpretentious, and every dish is cooked to perfection by a team of foodie aficionados for whom each meal time is an opportunity to flex their creative muscles. Judging by those little murmurs of gratification we hear so often, it all makes for a highly pleasurable and deeply satisfying occasion.

5,000,000,000

pores soothingly restored.

Is there no end to the number of ways we can pamper our guests and make them feel all shiny and new? Apparently not. From a Detoxifying Algae Wrap to a Restorative Mud Envelopment, our mind-boggling range of treatments can work wonders for your body, while our spa, steam room and sauna will all do pretty much the same for your soul. Of course, you may prefer pounding to pampering. In which case our gym will soon have you in endorphin heaven.

570

conference delegates catered for.

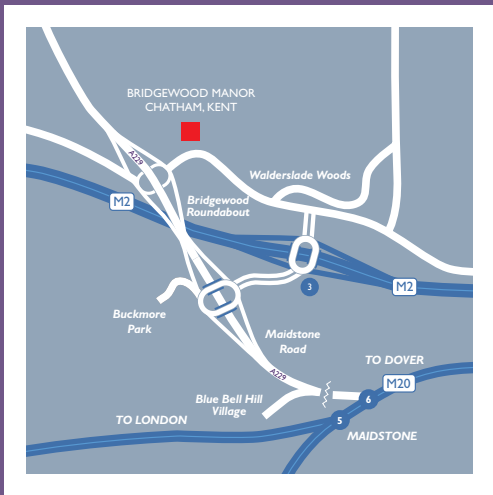

Between them, our seven superb, conference suites are capable of keeping a lot of delegates held firmly in business mode all day. The largest, the Hythe Suite, can comfortably accommodate 200 theatre-style, while the Marston Suite can provide a more intimate atmosphere for just 14 people. So whether you're looking for a space in which to launch the next big thing, or want a meeting room for a small number of your top people, you'll find Bridgewood Manor can oblige.

One of a kind.

Our hotel building may be relatively new, but our standards of service, comfort and customer-care most certainly are not. That's because every single member of our team, from the receptionist who checks you in to the maid who makes your bed, knows just how important it is to ensure your time here is as relaxed, as pleasurable and as memorable as possible. So we're confident you'll find that the old-fashioned values we hold dear will be evident throughout your stay – from the warmth of the welcome you receive on arrival to the plumpness of your pillows when you turn in for the night. And you can take advantage of all we have to offer secure in the knowledge that everything we do at QHotels ensures a positive approach to our staff, our community and the environment.
