HOTELS

The fact that we place so much emphasis on the drink in your hand and the food on your plate at The Park Royal should cheer you up immensely – you just know that this is going to be your kind of place. Our priorities are impeccable: first, the guests; second, the guests; and finally, the guests.

staff purely for wining and dining

400 sips from water glass or wine glass

When you need to be at your business best, you need an events room to match your mood – and we've got 15 versatile examples of the high-tech best, the biggest of which takes 400. If your task is the outdoor type, there's over a couple of acres here where you can team-build to your heart's content. But if work is the last thing on your mind, and you're very much in a party mood, we'll also host your wedding or special occasion get-together in fine style.

52 ways to appreciate the wine list

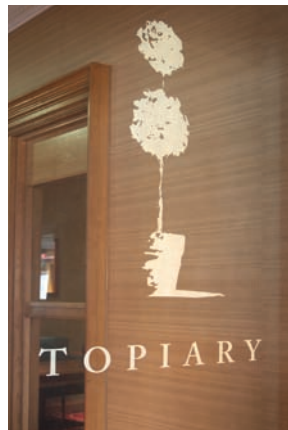

Topiary in the Park sounds like a new outdoor hobby, but it's actually the name of our fantastic restaurant. Delicious, inventive, beautifully presented dishes with a wonderfully wide wine choice to match. If you wanted food this good elsewhere, you'd have to travel at least 12 feet – to eat in our Lounge Bar instead.

40 terrific top-to-toe treatments

We're the thinking person's hotel. That is if the person's thinking 'there's nothing I'd love more right now than a deep, deep massage'. And our superb spa team can do bags of beauty treatments too. Book in after your gym or pool session.

3 minutes from
exit to entrance

Despite our green and leafy setting, the M56 is a mere mile away, which means we're plugged right into the motorway network. Perfectly poised between Manchester, Liverpool and Chester, you've got us exactly where you want us.

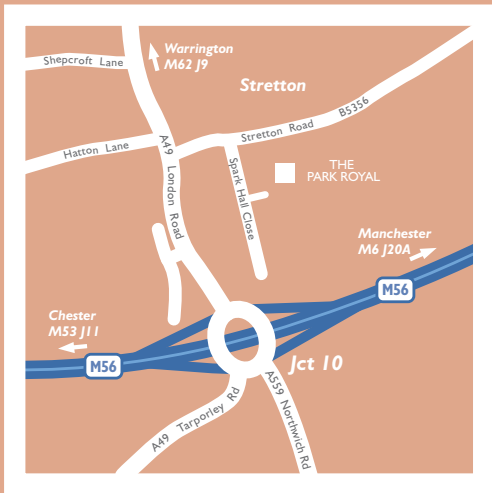

One of a kind

At The Park Royal, we pride ourselves on being all things to all people. Book us for a banquet or a wedding, a conference or a company think tank, a night of indulgence or a lovely long weekend. You'll always get the warm welcome and impeccable service you'd expect from a luxury destination like ours.

From any of our 146 beautifully decorated bedrooms, you can set forth on a pleasure tour without setting foot outside the grounds – making you feel good like a fine hotel should.

And you can take advantage of all we have to offer secure in the knowledge that everything we do at QHotels ensures a positive approach to our staff, our community and the environment.
