delighted guests in one year.

We could use words like 'beautiful', 'superb' and 'excellent' to describe the Telford Hotel & Golf Resort as a special events venue, but quite frankly, they wouldn't do it justice. In fact, the only word we can think of that even comes close to hitting the nail on the head is 'spectacular'.

An overclaim? We think not. You see, not only is the Telford Hotel & Golf Resort actually situated in a UNESCO World Heritage Site, it has also recently had a whopping £10 million lavished on it to ensure that the hotel is every bit as breathtaking as its surroundings. What's more, it also boasts a number of unique and very special features – such as the 17th-century Darby House which is available for exclusive hire, and the Darby lawn (with its breathtaking views), where we can accommodate for over 300 people in marquees.

All of which could explain why last year alone nearly two and a half thousand people had a day here to truly remember. They came for all kinds of different occasions – from weddings and naming ceremonies to anniversaries and corporate banquets, from birthday parties to civil ceremonies – but all left with the same wonderfully satisfied feeling of having been entirely delighted by the experience.

It's a fact that makes us very proud to be one of a kind.

little ways to make your day massively special.

At the Telford Hotel & Golf Resort we have a full-time team of professional event managers on-hand whose one and only role in life is to make your event amazing in every way. Which can be particularly reassuring when we're talking about the biggest day of your life.

And being not only professional but also highly experienced, you can be sure they know everything there is to know about ensuring your entire satisfaction. So whether it's helping you create your own extra-special menu, dressing your room to make a fairy tale wedding come true, or helping point you to the most incredible spot for your photographs (there are panoramic, 180° views of the Ironbridge Gorge from our terrace and Restaurant 1779), you can be confident they will leave no stone unturned in their pursuit of perfection.

The end result of their endeavors is, without exception, a day that is nothing short of magical in every way. And one that we can guarantee you will always remember for its style, finesse and flawless organisation.

magnificent event rooms to choose from.

On the outside of the Telford Hotel & Golf Resort you will find some of the most incredible scenery imaginable. While on the inside you'll find our exceptional range of rooms, restaurants and other facilities will leave you utterly spoilt for choice.

For example, you can celebrate on a grand scale in our biggest room which can comfortably accommodate you and up to 300 of your guests in luxurious and sophisticated surroundings. And, of course, smaller, more intimate gatherings are wonderfully catered for, too. Speaking of catering, our 1779 Restaurant not only offers great food and a relaxed yet stylish atmosphere, it also serves up stunning views of the Severn Valley and Ironbridge Gorge. And when it comes to play time there's our highly acclaimed 18-hole golf course to look forward to, as well as some extraordinarily relaxing spa treatments, a fully equipped gym and a 15-meter indoor swimming pool.

The Telford Hotel & Golf Resort even boasts Darby House, a 17th-century manor house which is annexed to the main hotel, and which is home to nine deluxe bedrooms and an oak-panelled morning room. Making it perfect if you and your guests would like a bit of privacy and oodles of old-world charm.

exceptional private dining facilities.

For corporate organisations, charities, sports teams, awards bodies and the like, access to private dining facilities is often a must. Which is why you must check out ours.

First is the Coalport Suite, which can accommodate up to 240 guests and even boasts its very own dance floor where you can strut your stuff and work off some of those calories. As it is modular, the Suite can also be broken down to provide smaller parties with the perfect dining space.

Then there's Restaurant 1779 which can be hired for private mid-week lunches for the board, birthday parties and other similar functions.

Between them, these two private dining facilities ensure that whatever kind of gathering you are planning, we have the ability to make it a grand occasion.

lips being smacked in anticipation.

Whether it's an engagement party, a board away day or a golden wedding celebration, at the centre of almost every event there is, of course, food. And at the Telford Hotel & Golf Resort we know a thing or two about well and truly exceeding culinary expectations.

That's because our hugely talented chefs have a deserved reputation for creating menus that will delight everyone. In particular, their skill in devising and cooking ultra-modern European dishes is truly enviable. If, however, you have something entirely different in mind, then simply tell us what you would like and you can be sure it will be prepared to perfection.

As well as offering you a to-die-for range of dining options, we also offer an unsurpassed range of dining rooms in which to enjoy your meal. There's Restaurant 1779 with a stylish, contemporary brasserie that is without equal in the county for its incredible views across the Ironbridge Gorge. For a more relaxed atmosphere there's The Gorge, our new bistro with terrace views across the 18th hole and the course beyond. Or you may prefer marquee dining on the Darby Lawn.

To make your meal complete you will almost certainly want a fine bottle or two of just the right wine or champagne. And as you might expect of a four-star hotel like ours, we also have a first-class cellar from which you can choose. Not to mention a bar that's always well stocked with a wide selection of after-dinner liqueurs and spirits.

excuses for staying the night.

Most people can't resist staying with us for a night before, after or on either side of their event. After all, there's our exceptional 18-hole golf course to try, our incredible spa treatments, steam and sauna rooms, heated swimming pool and state-of-the-art gym to enjoy, and a World Heritage Site, complete with the historic Ironbridge Gorge and the stunning Severn Valley, to explore. But apart from all that, is there anything else that might compel you to stay?

Well, as matter of fact there is.

Each of our 114 rooms, including six four-poster rooms, has got to be experienced to believed, offering, as they do, outstanding standards of luxury, ambience and all manner of little comforts to make your stay unimaginably comfortable.

There's also the opportunity to hold a slumber party at Darby House, with exclusive access to your own private lounge which is packed with entertainment such as a Nintendo Wii, a 50-inch plasma screen TV, DVD player and music system.

So don't just make it a big day at the Telford Hotel & Golf Resort, make it a big couple of days. Or even a big weekend.
