Your questions answered ...

Who will be our contact?

Throughout the planning of your special day, a dedicated and experienced Wedding Co-ordinator will be your one point of contact to assist every step of the way. On the day of your wedding, our highly committed hospitality team will ensure everything runs smoothly and every last detail is looked after, so that you can relax and enjoy your day.

How many people sit around a table at the reception?

Usually 8 – 12 on round tables. However, we are happy to discuss your specific numbers and accommodate your requirements where possible.

How many should we cater for at our evening reception?

If you are just having a reception you will need to cater for 100% of your guests. If you are having a wedding breakfast, cater for 80% of the total guests attending the evening reception.

Which package should I choose, all inclusive or tailored?

This is entirely dependant upon your budget. At Norton Park we have created a variety of packages to help you plan a complete cost for your wedding day. Our Wedding Co-ordinator will be pleased to discuss our packages with you in detail to assist you in selecting one that is right for you.

Should we have an account bar or cash?

This depends on your budget. Our Wedding Co-ordinator will be pleased to advise.

Do we have a set meal?

We recommend that you follow a set meal plan, however we will cater to your needs. If you or any of your guests have special dietary requirements, just let us know in adequate time so that we can cater especially to these. We offer a wide choice of menus, including vegetarian options and as we understand that your younger guests may prefer something different, we can offer a range of children's alternatives.

Can we supply our own disco?

This is not a problem and our Wedding Co-ordinator will be pleased to provide contact details for local companies so that you can contact them direct to discuss further.

Can we bring our own wine?

This can be arranged under certain special circumstances and the Hotel will apply a corkage charge which is currently £20 per bottle of wine and £25 per bottle of Champagne.

What happens at a Civil Ceremony?

A Civil Ceremony is a non religious service, which lasts about 20 minutes. The ceremony can be made as personal as you wish with music and readings (must be secular). The arrangements and requirements must be discussed with the local Registrar before the ceremony and this should be done before making a confirmed booking of the Hotel's facilities.

How do I arrange a Civil Ceremony?

The Winchester Registrar can be contacted on 01962 869608 for further details or to arrange a date.

How do we make a booking?

You can make a provisional booking which can then be held for up to two weeks. To guarantee your booking we will require a non-refundable deposit of 10% of the potential final bill.

When do we pay?

After payment of the initial deposit, we require a further payment of 50% to be made six months prior to the wedding date with the outstanding balance to be settled one month before the wedding date.

How can I arrange to view Norton Park?

Just contact Natalie Humphrey, our Wedding Co-ordinator on 01962 763009 or by email on nhumphrey@qhotels.co.uk who will be delighted to meet with you and show you around.
